Finding a provider

If you need care outside of what is available from your institution, you also have access to the Blue Cross and Blue Shield network within the U.S., Puerto Rico, and U.S. Virgin Islands. Scheduling an appointment with a Blue Cross and Blue Shield provider

Call the provider to confirm they are in network and schedule your appointment. At the time of service, you will need to show the provider your GeoBlue ID card and tell them you are covered by Blue Cross and Blue Shield.

Using an out-of-network provider

This typically results in a higher coinsurance and may result in additional costs to you. If you receive care from an out-of-network provider, you may need to pay out of pocket and submit a claim for reimbursement. Click "How to File a Claim" in the Member Hub on www.geobluestudents.com to download the appropriate claim form. Submit claims electronically using the GeoBlue app or the "File an eClaim" link on the Member Hub.

Prescription benefits

Present your ID card at any participating pharmacy and you will be charged in accordance with your plan benefits.*

Paying for care - Glossary of terms

In the U.S., your health plan typically pays your medical bills for you with the following exceptions:

- **Copay or Copayment:** The specific dollar amount you will pay at the time of service.
- **Coinsurance:** The percentage of the cost you are responsible for.
- **Deductible:** An amount you are responsible to pay for eligible expenses before the plan begins to pay.
- **Out-of-Network Provider:** Medical provider who is not contracted with Blue Cross and Blue Shield companies. This typically results in a higher coinsurance and may result in additional costs to you.

See your Certificate of Coverage for details.

In the event of a medical emergency

If you have an emergency, dial 911 or go to the closest Emergency Room immediately. If you're not sure whether your situation is an emergency, dial 911 and let the call-taker determine if you need emergency help. Once you are safe, call the Medical Assistance phone number for 24/7 care located on the back of your ID card. We will then take the appropriate action to assist and monitor your medical care until the situation is resolved.

*Certain limitations and exclusions apply to your coverage under this plan and may affect your coverage. Your Certificate of Insurance is on file with your school and in the Member Hub on www.geobluestudents.com.

Reviewing Plan Benefits

What is covered by your plan?

REPATRIATION OF REMAINS BENEFIT

If a Covered Person dies, while traveling outside of his/her home country during the School Year, the Insurer will pay the necessary expenses actually incurred, up to the Maximum Limit shown in the Schedule of Benefits, for the preparation of the body for burial, or the cremation, and for the transportation of the remains to his/her Home Country. This benefit covers the legal minimum requirements for the transportation of the remains. It does not include the transportation of anyone accompanying the body, urns, caskets, coffins, visitation, burial or funeral expenses. Any expense for repatriation of remains requires approval in advance by the Plan Administrator.

No benefit is payable if the death occurs after the Termination Date of the Plan. However, if the Covered Person is Hospital Confined on the Termination Date, eligibility for this benefit continues until the earlier of the date the Covered Person's Confinement ends or 31 days after the Termination Date. The Insurer will not pay any claims under this provision unless the expense has been approved by the Plan Administrator before the body is prepared for transportation. This benefit is available only to Covered Persons who are living outside of their Home Country while engaged in educational activities.

MEDICAL EVACUATION BENEFIT

If a Covered Person is involved in an accident or suffers a sudden, unforeseen illness requiring emergency medical services while traveling outside of his/her home country, and adequate medical facilities are not available, the Administrator will coordinate and pay for a medically-supervised evacuation, up to the Maximum Limit shown in the Schedule of Benefits, to the nearest appropriate medical facility. This medically-supervised evacuation will be to the nearest medical facility only if the facility is capable of providing adequate care. The evacuation will only be performed if adequate care is not available locally and the Injury or Sickness requires immediate emergency medical treatment, without which there would be a significant risk of death or serious impairment. The determination of whether a medical condition constitutes an emergency and whether area facilities are capable of providing adequate medical care shall be made by physicians designated by the Administrator after consultation with the attending physician on the Covered Person's medical conditions. The decision of these designated physicians shall be conclusive in determining the need for medical evacuation services. Transportation shall not be considered medically necessary if the physician designated by the Administrator determines that the Covered Person can continue his/her trip or can use the original transportation arrangements that he/she purchased. The Insurer will pay Reasonable Charges for escort services if the Covered Person is a minor or if the Covered Person is disabled during a trip and an escort is recommended in writing by the attending Physician and approved by the Insurer. **All evacuations must be approved and coordinated by Administrator designated physicians.** Transportation must be by the most direct and economical route.

BEDSIDE VISIT BENEFIT

If a Covered Person is Hospital Confined due to an Injury or Sickness for more than 3 days, is likely to be hospitalized for more than 3 days or is in critical condition, while traveling outside of his/her home country, the Insurer will pay up to the maximum benefit as listed in Table 1 of the Schedule of Benefits for the cost of one economy round-trip air fare ticket to, and the and hotel accommodations in, the place of the Hospital Confinement for one person designated by the Covered Person. Payment for meals, ground transportation and other incidentals are the responsibility of the family member or friend. No benefits are payable unless the trip is approved in advance by the Plan Administrator.
